DRT expands its network for the distribution of terpenic solvents

Since March 1st, the French company INTERCHIMIE has become the exclusive distributor for all technical terpenic solvents of the French specialist of pine chemistry, DRT. Ranked amongst the world leaders of the production of resins from plant-based chemistry, DRT carries on expanding its network to offer even more responsible solutions to its various markets.

Bring the highest quality of service to its customers is the motto of DRT. In order to better serve its technical terpenic solvents customers, DRT has chosen a new distributor: the French company INTERCHIMIE. This first-class partner has been collaborating with DRT since 1975.

Based in Compans (France), INTERCHIMIE was created in 1945 in order to help professionals of the cosmetics, drug, detergent, painting or lubricant industries, find products in small quantities. « *This business agreement between DRT and INTERCHIMIE is the logical outcome of our collaboration. With its strong expertise, INTERCHIMIE is a human-size company staffed by qualified and proactive teams, which has managed to build strong relationships with its customers and suppliers - who are most of all partners. A philosophy fully in line with ours* » declares Eric Moussu, Director of Sales & Marketing at DRT.
